LEYENDA CABERNET SAUVIGNON

New!	2014	James Suckling USA May 2016	93 points	A very aromatic red with fresh basil, tea and currant. Medium to full body, fine tannins and a tangy and crisp finish. Aged first in small barrel for 8 months (35% new) and then large Gamba casks for 12 months. Gives the wine light austerity and definition. This is a new small production wine from the big brand.
New!	2013	The Wine Advocate USA January 2016	91 points	Casillero del Diablo is a very popular range, but there is a top wine called 2013 Casillero del Diablo Leyenda Cabernet Sauvignon that is sourced from the Pirque appellation within Maipo, from vines planted in 1995 on alluvial soils; it fermented in stainless steel and matured in a lightly toasted 5,000-liter botti from Piemonte in Italy. This is almost an experimental wine from the vineyards where the original Casillero del Diablo was born in the 1960s. The really extreme change here is that this wine never touched a barrique and was bottled after 18 months. The balsamic notes are quite attenuated, the fruit is quite focused and the earthy notes are subtle; it's the spicy character here that takes the leading role. The palate is medium-bodied with very fine tannins and good length.
