

# Casillero del Diablo

## RESERVA ESPECIAL

---

Soils rich in red clay give rise to **Reserva Especial** in the Maule Valley, 300 kilometres south of Santiago de Chile. Clay has been a key element in many creations throughout human history, and today it has an important role in making this wine

The moderately deep **clay soils** give structure and character to this elegant Merlot, while the climate in this area is characterised by its temperature fluctuations, allowing a slow maturing of the grape and maintaining the freshness of the fruit.

## MERLOT

---

**VINTAGE**  
2018

**AGEING**  
Aged in French and American oak barrels for 8 months.

**COLOUR**  
Intense violet

**AROMA**  
Stands out for its intense red and black fruit notes, emphasised by a touch of cherry and plum on the nose.

**PALATE**  
In the mouth, the wine stands out for its elegance and structure. The fluctuating temperatures help ensure the fruit notes feel fresher in this Merlot.

**PAIRING**  
It is a wine that perfectly accompanies any pasta dish and diverse types of cheeses, such as Camembert or Roquefort.
