

SHIRAZ

VINTAGE

2020

ORIGIN

Central Valley

COLOUR

Beautiful and attractive dark and deep purple.

AROMA

Its elegant and fresh fruit -black cherries and ripe blackberries- is very well integrated with the wood. Spices, cedar and chocolate notes, plus a lightly toasted hint.

PALATE

Full bodied, round, strikes a nice balance between fruit and the toasted notes from the wood. Soft and sweet tannins finishing with lively acidity balanced the intense range of flavours.

FOOD PAIRING

Perfect with red meats. Different types of cheese, such as gouda or blue, also go particularly well with this wine.
