

Casillero del Diablo

RESERVA ESPECIAL

Soils rich in red clay and granite give rise to **Reserva Especial** in Maule, 350 kilometres south of Santiago de Chile. Clay has been a key element in many creations throughout human history, and today it has an important role in making this wine.

The **clay-loam soils** over a granitic base in our vineyards contribute structure and character to this wine, while the zone's coastal breezes and constant sunshine produce the rich acidity and fresh fruit that enables us to obtain a vibrant and enchantingly elegant Cabernet Sauvignon.

CABERNET SAUVIGNON

VINTAGE
2020

AGEING
Aged in French and American oak barrels from 8 to 10 months.

COLOUR
Bright, intense, violet-red.

AROMA
This wine expresses delicate notes of plum and black cherries, which accompany a soft, delicate toasted notes from the barrel ageing.

PALATE
This is a very elegant and well-structured wine, with a marked character and strong tannins. It is characterised by the prominent expression of fruits, specifically plum and black cherry. Its ageing in barrels gives this wine a greater degree of complexity.
