Winemaker's Tasting Notes

COLOUR

Deep, bright, intense ruby-red.

AROMA

Elegant black currant notes accompanied by red cherry and plum mingled with vibrant fresh black fruit. The ageing in French oak barrels lend complexity to the nose and highlight the smoky, vanilla and cedar aromas.

PALATE

This wine is structured and firm on the palate and offers elegant tannins. The fruit is well balanced by the oak notes to sustain its vibrant acidity, which is joined by a long, persistent finish.

PAIRING

This wine is excellent paired with different cuts of red meat. Ripe cheeses are equally recommended.
